

# Conversation Starters

If you could drive your car anywhere, where would you go?

What did you see on the way to school this morning?

What color is the happiest color? What makes it happy?

What do you see when you look out your window?

What is your favorite smell? How come you like that smell?

(sung) Tell me something good...

If you were invisible, what would you do?

If you had wings, where would you fly?

If you lived in a zoo, which animal would you be? Why would you like to be that animal?

What makes you smile?

Have you ever lost something you really liked? What did you do?

What is the best surprise you ever had? What made it the best?
