

# Talking about Music & Movement

How did you  
do that  
(movement)?

What made you  
think of doing  
that?

How does the  
\_\_\_\_\_ feel  
(smell or other  
appropriate  
sense)?

Tell me about  
the \_\_\_\_\_  
(actions) you did.

What are some  
other ways to  
move to  
that sound?

What do you  
think would  
happen if \_\_\_\_\_?

How can we  
move to this  
(sound or music)?

These sound  
different.  
I wonder why.

What did you  
do so the  
\_\_\_\_\_ (action)  
looks like \_\_\_\_\_  
(describe effect)?

I'd like to hear  
more about \_\_\_\_\_.

This \_\_\_\_\_  
(sound, music)  
makes me  
think of \_\_\_\_\_.?

I wonder how  
you could get  
your body to \_\_\_\_\_  
(move a certain way).

# Talking about Art

What made you think of making that?

What does the (image) remind you of?

How does that feel (smell or other appropriate sense)?

Tell us what you found out about the (material, tool).

I'm curious about how you made that. What did you use?

What do you think would happen if \_\_\_\_\_?

What are some other ways to use the materials or tool?

These look the same (or different). I wonder why.

What did you do so the \_\_\_\_\_ (material) looks like \_\_\_\_\_ (describe effect)?

Tell me about the \_\_\_\_\_ (materials) you used.

This \_\_\_\_\_ (image) makes me think of \_\_\_\_\_?

I wonder how you could get the \_\_\_\_\_ (material) to \_\_\_\_\_ (act or move a certain way).
